RE: Letter of Recommendation

Dear Steve: I wanted to write you this letter of recommendation that you could share with potential clients who haven't had a chance to experience Galway Companies, Inc yet.

I now have over 25 operating Anytime Fitness clubs; and as a result I've had the opportunity to work with many different management companies and landlords. Galway Companies is one of the best firms I've had the opportunity to work with. One of the big differentiators about Galway is your staff understands the impact CAM, insurance and RE Taxes have on a business. You're conscious about keeping those costs low while still keeping the shopping centers we're located in a first class appearance. In addition, I know that when I'm told something will get done; it always does.

I've enjoyed our relationship and look forward to many more years of working together ahead.

Sincerely,

A handwritten signature in black ink, appearing to read "AG", written over a light blue horizontal line.
